

Thank you for your interest in the Counselor in Training program at Morristown Beard Day Camp! The summer of 2023 is full of fun and surprises, and we are so looking forward to having our CITs join us. Please be advised that the CIT program is extremely competitive, and it is designed to train the future leaders of MBS Day Camp. Every CIT accepted into the program is held to the highest of standards, and is expected to strengthen their leadership capabilities throughout the summer. Should you be accepted, you will be required to meet all the responsibilities that are given to you by our CIT Director. This includes attendance, weekly meetings, assessments, working with campers, and showing up ready to work hard and improve. Although this program has many fun aspects, it is important to remember that it is a stepping away from being a camper, and diving into learning about yourself and what makes you qualified to be a future counselor at MBS Day Camp.

Please fill out the attached application and return it to the MBS Day Camp Office by March 2nd, 2023. Due to the competitiveness of the program, all applications received after the deadline will not be considered.

Applications can be submitted to our Camp Director, Stephanie Galvez in the Day Camp Office, by mail at 70 Whippany Road, Morristown, NJ 07960, or via email to summer@mbs.net.

In order to be considered for the program, you must have been a camper at MBS Day Camp, be at least 15 years of age, and entering your sophomore year of high school.

Thank you for your interest in MBS Day Camp, and good luck!
